

Local Government Pension Scheme – LGPS

Benefits for your loved ones.

As a member of the LGPS your Husband, Wife or Civil Partner will receive a Survivor's Pension in the event of your death.

If you are living with a partner, but you are not married or in a Civil Partnership, your partner will **NOT** receive this benefit, unless you complete, sign and return a **Nomination of Cohabiting Partner's form (HK14)** to Xafinity Paymaster, who are the pension administrators for the LGPS in Hackney.

Do not miss out on this valuable benefit.

Forms can be obtained from Xafinity Paymaster, call them on 01293 603085, or visit their website
