

## Local Government Pension Scheme – LGPS

### Do you know about the death grant?

**If you should die whilst an active member of the LGPS, the ones you care about could receive a death grant of 3 times your annual salary.**

In order to ensure that they receive this valuable benefit, fill in an Expression of Wishes Form (HK08) obtainable from Xafinity Paymaster (the pension administrators). Complete, sign and return it to ensure the pension scheme is aware of your wishes, should the worst happen!

The Expression of Wishes Form (HK08) can be updated as may be necessary, if your personal circumstance change.

**Forms and full terms and conditions, can be obtained from Xafinity Paymaster**

**Call them on 01293 603085, or visit their website**
