- Maternity
- Breaks

HK221

MUST BE RECEIVED BY 19th WITH THE MONIES

- This is a legal requirement and we now have to report failures to the Pension Regulator! – who will fine LBH.
- **Do Not** manipulate the cells or the spreadsheet at all.
- If there is a leaver or starter on the HK221 we should have had the relevant form.
- Levies will be raised for missing info/forms/late payments and for data submitted on incorrect HK221s

Year End Data - Do You Remember This!!!

Valuation Year - Data to actuary by 24/06/2016

Data must be returned by 15/04/2016 – no exceptions!!

Equiniti to send queries by 30/04/2016

Responses to queries by 06/05/2016 – no exceptions!!

One line per job is vital

BUT IT DIDN'T HAPPEN

No data at all

Data was incorrect e.g no fte's

THE OUTCOME OF NON RECEIPT AND INCORRECT DATA.

- Valuation data EQ submitted to Hymans was late
- Valuation data was incorrect
- Benefit Statements couldn't be issued by August so
- Pension Regulator had to be informed – he will impose fines next year that will be paid by London Borough of Hackney.
- £56,000 additional work to produce the statements/valuation data

This Year !!

Renewal letters will be sent by 28th February

You must acknowledge receipt and ask questions

Data must be returned by 21/04/2017 – levies will be raised and there will be no exceptions!!
