# **COMMUNICATIONS POLICY STATEMENT**

This document sets out the Communications Policy of the Administering Authority of the London Borough of Hackney Pension Fund as required under the Local Government Pension Scheme (Administration) Regulations 2008.

## **Objectives**

The aim of this communications strategy is to make sure that all stakeholders are kept informed of developments within the Pension Fund. We want to ensure transparency and an effective communication process will help to maintain the efficient running of the Scheme. Regulations require each Administering Authority to prepare, maintain and publish a statement setting out their policy on communicating with the following stakeholders and organisations:

- Contributing Scheme Members – active members
- Deferred Scheme Members
- Pensioner Scheme Members and Dependants
- Prospective Scheme Members
- Employers participating in the Fund
- Elected Members (Trustees)
- Other Bodies

## **Communications Methodology**

The administering authority has at its disposal a wide range of options for communicating with the diverse groups that it needs to serve. The method of communication will vary depending on what needs to be communicated and to whom. The methods used by the Administering Authority to communicate with all interested parties are detailed below.

## **General Communications**

We use a range of methods to communicate including a variety of paper-based and electronic means. The Fund has a dedicated Pensions website: <http://hackney.xpmemberservices.com> and the use of a secure portal 'Sharefile' for employers to upload confidential information.

We will accept some communications electronically and will respond electronically where possible. For security reasons, we will not use email for communicating sensitive information or where it is necessary to verify the address or identity of the sender

- **Pension Scheme Administrators** – The Fund's administrators, Equiniti Paymaster (EP), will assist with the overall administration of the scheme to ensure the smooth operation of the administrative function.

They can be contacted via the helpline number - 01293 603085 or by email:

For Administration staff – <http://hackney.employers@equinitipaymaster.com>

- **Website** – Communication in the form of a dedicated Pension Fund website is available which contains a wide range of information for not only scheme members but also scheme employers and other interested parties. The website can be accessed via <http://hackney.xpmemberservices.com>. The website contains copies of scheme guides, newsletters and other relevant information pertaining to the LGPS
- **Policy Documents** – These are available for all stakeholders to access either on the website at <http://hackney.xpmemberservices.com>, in hard copy or electronically on application. Copies of all policy documents are held within the Financial Services Section, Finance and Resources Directorate.
- **Posters** – These will be designed to help those who are both members and non-members of the LGPS, to understand the full range of benefits when participating in the scheme, and providing guidance on how to obtain more information and also how to join the scheme.
- **Council Intranet** – Updates on the scheme and any other relevant news in regards to LGPS is available through communication updates via the Council intranet, which is the Fund's largest employer.

## **Branding**

As the pension fund is administered by Equiniti Paymaster (EP), all literature and communications will include the branding of the London Borough of Hackney and EP.

## **Policy on Communicating with Contributing (active) Scheme Members, Deferred and Pensioner Members**

All members of the Scheme (active, deferred and pensioner members) will be kept informed about their benefits, developments in the Scheme and any changes to the scheme of a regulatory or operational nature. This includes consultation with representative groups as required.

- **Scheme Guides** – There are scheme guides available for members setting out the conditions of membership and main scheme benefits that apply under the Local Government Pension Scheme (LGPS). A copy of these will be provided to new employees of the scheme and at other times on request. The scheme guides also form part of the Pension Fund website <http://hackney.xpmemberservices.com> which is available for any member to access.
- **Member Self-Service** – Via the Fund's website, all scheme members can securely access their pension details held on the pension administrator's database. This facility allows scheme members to check their personal details and advise the administrators of any changes. It also has the ability for scheme members to produce an estimate of their potential LGPS benefits due to them at retirement. Pensioner members will be able to view payslips and P60's and their address details.
- **Annual Benefit Statements** – Active and deferred scheme members are entitled to an annual benefit statement detailing the benefits that they might expect at

retirement. These are issued annually and would normally be issued within 8 months of the financial year end (31<sup>st</sup> March), but ultimately by the end of the following financial year end. These contain vital information for scheme members and enable individuals to make informed choices about their retirement options.

- **Pre-retirement seminars** – Presentations on the scheme and benefit choices at pre-retirement seminars that are facilitated by HR, to help scheme members approaching retirement prepare for the financial and lifestyle changes retirement brings.
- **Newsletters** – These will be sent to scheme members to communicate changes in regulations, developments in the fund and to inform members of changes in policy. The exact timing and nature of these newsletters will vary depending on what developments are taking place. However if there are regulatory changes which are likely to impact on individuals benefits or scheme membership in any significant way, then newsletters will be sent to members in sufficient time for them to be able to act upon that information. An annual accounts newsletter is sent to all scheme members providing information on the state of the fund, performance of the fund and any major changes which have taken place during the year.

The agenda, reports and minutes of the meetings are available on the Council’s website at <http://www.hackney.gov.uk/l-mayor-cabinet-councillors.htm>
- **Committee Reports** – Reports to Pensions Sub-Committee and to other Committees as necessary, for example Regulatory Committee and Cabinet, ensures that Council Members are kept informed of developments in relation to Pension Fund issues and the impact that these can have on overall Council policies and procedures

## **Policy on Communicating with Other Bodies**

Interested parties and representative groups will be approached to provide feedback to the policy changes before amendments are enacted.
